This seminar will be led by Dr. Gary Black to promote pastors' understanding of the integration of faith, work, and economics for ministry that produces human flourishing. The event is sponsored by “Made to Flourish: A Pastors Network for the Common Good” (formerly the Kern Pastors Network). **All Made to Flourish (MTF) pastors in the Southern California area are invited to attend. Each may invite two additional pastors to attend as guests of the Foundation.** All pastors who register by the deadline will receive the book in advance. They are expected to read it before the event, with special focus on Chapter 10.
